

#### VENUE AND DURATION OF COURSE:

John Ruskin College, 1 Year Full Time, 3 days per week.

#### ENTRY REQUIREMENTS:

*Preferably* - English and Maths GCSE grade 9-2 (A\*-E)  
A strong interest in animal care.

#### WHAT QUALIFICATIONS WILL I GET?

Level 1 Diploma in Land-Based Studies (Animal Management)

#### COURSE DESCRIPTION:

Our well-equipped animal management unit provides a hands-on opportunity to work with a variety of species including small mammals and reptiles.

This course equips you with essential skills for the animal care industry, including feeding and watering animals, maintaining animal accommodation, handling and restraining, and performing health checks. Additionally, you'll also have the chance to enhance your proficiency in math and English, while developing personal attributes such as time management, teamwork, and independent study.

Gain valuable industry exposure through our integrated work experience component. Practical sessions within the college and external placements, facilitated by your tutor, offer real-world insights and skill refinement. Explore settings like animal rescue centres or zoos to enrich your understanding of the field.

#### UNITS/TOPICS COVERED:

This course cover units such as:

- 201 - Safe and effective working practices in land-based industries
- 202 - Preparing to work in the land-based industries
- 216 - Assist with maintaining the health and wellbeing of animals
- 224 - Animals in the wild and their main features
- 226 - Assist with feeding and watering of animals
- 227 - Assist with the preparation and maintenance of animal accommodation
- 228 – Assist with handling and restraining of animals

There will be an opportunity to complete a Functional Skills Level 1 Qualification in Numeracy and Literacy.

#### TYPE OF ASSESSMENT:

There is continual assessment throughout the programme that allows students to constantly improve and develop their portfolio. Assessment comes in a range of forms including exams, leaflets, handbooks, essays and reports, practical assessment and observation, class tests, presentations, discussion seminars and practical projects.

#### EQUIPMENT NEEDED:

Students will need to provide their own navy lab coat to be worn during practical sessions.  
Closed toed shoes must be worn at all times, boots are optional.  
Basic stationary – lever arch file, pens, paper

**NOTE:**

Students studying Animal Management will be required to have an up-to-date Tetanus Vaccination. This is common in all environments where individuals are working closely with a range of species. This can be confirmed through your GP; you can find details on vaccination schedules on the NHS website.

**WHERE CAN IT LEAD?**

Achieving and passing the course, as well as a good reference from the tutor, will allow students to move onto a Level 2 Animal Management qualification.

**COURSE FEE:**

If you are under 19 on 31/08/2025, tuition is free. If you are 19 or over, please consult Client Services for advice and guidance on funding and eligibility.

Please be aware that there may be additional costs for equipment and educational visits. This information will be available from the curriculum staff at interview.
